**Every school
needs a personality
that is so
inviting,
friendly
and
infectious
that they
just brighten
everyone's day
right away.**

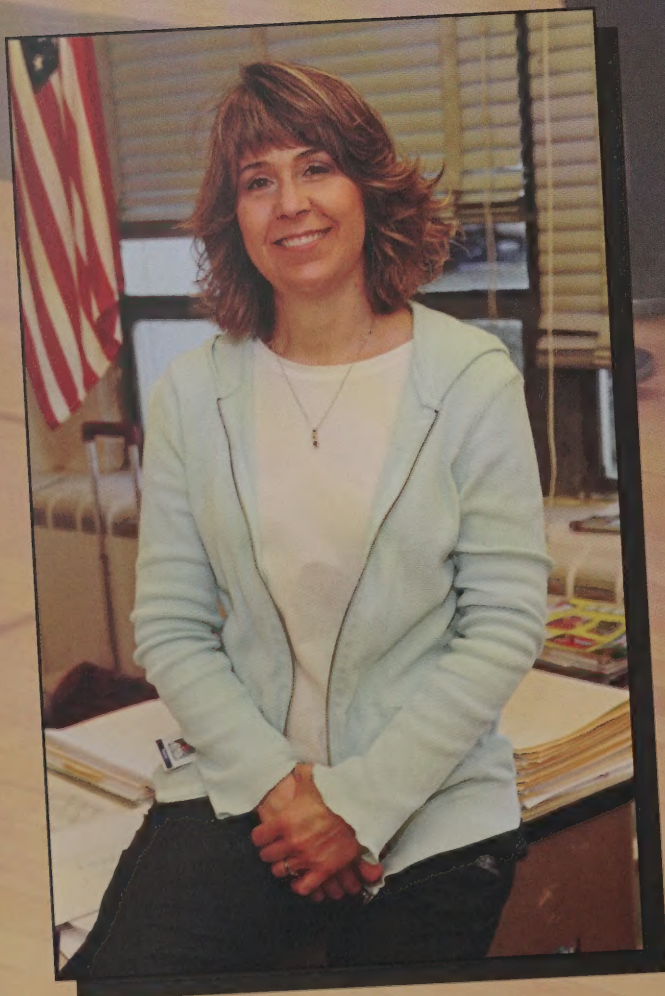

That is what Mrs. Lisa DeLorge provides day in and day out without fail. To the seniors of this year, she is looked at as the caring figure we can go to any time of day.

When you look at what makes a great Physical Education teacher, you look for a person willing to motivate and instill values in their students. Mrs. DeLorge not only affects us all with her ability to relate to her students, but also with her uncanny ability to inspire us to do greater. She once said the greatest part of her job is "seeing the growth of students throughout the years" and was a large part in the growth of this senior class. Always engaged in each activity with her students, Mrs. DeLorge is a teacher you enjoy having every day.

After attending SCSU for her bachelor's degree and master's at CCSU, Mrs. DeLorge worked at SAND Everywhere School and then McDonough Elementary School for years. Thankfully, she ended up at Enfield High School, bringing her brand of great teaching.

The greatest aspect of Mrs. DeLorge is her balance of fun and hard work. She's always said, "You earn what you get in my class," and has motivated us all to strive for more.

We will miss Mrs. DeLorge as we graduate. From all seniors, we say thank you for all the great memories, assistance with any problem and the genuine kindness you've spread throughout this school.

Dedicated to:
Mrs. Lisa DeLorge

Memories of Our Daily Life

By Lauren Attenello

From the bed side alarm ringing loud,
To the alarm of the last bell in school we bound

Tired eyes we find our friends,
Some of us wearing the latest trends

Hanging by the locker getting our books
Sometimes we get funny looks

We collect to homeroom to the pledge to hear
The announcements are read as we lend an ear

No surprises so far, good day in store
Great! Teacher said pop quiz, what a bore

There are many clubs we have for all
Joining one or more makes you proud and stand tall

We all joined when tragedy struck a Connecticut community
Our hearts came together all in unity

From another part of the world we welcome students to our school
They see what we see... we are COOL

Faculty and staff we thank you for all you do
We know you also want to leave at two o' two.

SENIORS 2

a Year to Remember

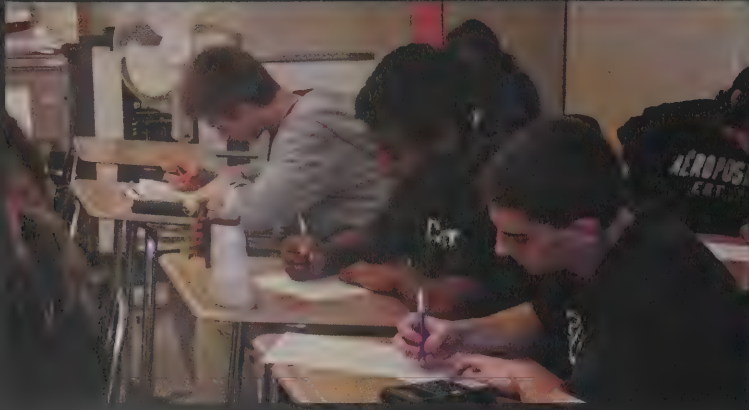

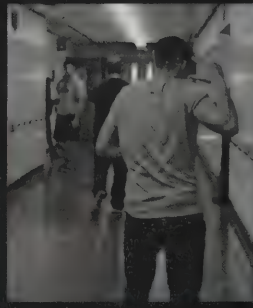

Our Last...

By Lauren Attenello

When looking back at your high school years, what do you remember?

Do you remember playing your favorite sport, after school programs, the friends you made, buying your class ring, the tiring SAT's, learning how to drive in Driver's Ed or getting ready for prom?

2013

Remember when we would compare each other's schedules to see if we had any classes with our friends, we went out and attended the Homecoming Game, we rooted for the Raiders to take down the Fermi Falcons at the Thanksgiving games, we've been waiting for this year to come and now that it's here, these four years seemed to go by so quickly. Suddenly, everything we do is becoming "our last". We had many good times and our memories stay within our hearts. While saying goodbye, we wish everyone the best of luck with their future.

These four special years have impacted our lives so much. Between all of the tears, laughs, fights, break-ups, make-ups and madness we now are preparing for college and careers. We began to think about our future much more than we did as little freshman lost in the shuffle. We leave thinking "Whew! We just missed the combining of the high schools." We'll leave missing that one special teacher or friend. The year has come to an end. So, what do you remember?

WHAT IF...

Money didn't exist?
People didn't judge so much?
We didn't have Mrs. Stone?
All school lunches were good?
Sweatpants weren't allowed?
We still had the Thanksgiving game vs. Fermi?
Seniors didn't have class until the afternoon?
I'M THE BATMAN?
Twitter, Facebook, Instagram, Tumblr, and Youtube never existed?
Life was just a dream...
Math class didn't exist?
The Mayans were right?
School started later in the day?
We could do high school all over again?
Life wasn't a popularity contest?
Fermi and Enfield High combined THIS year?

REMEMBER WHEN ...

We actually cared about school?
We all shared crayons?
The lunch cookies actually tasted good?
We had a week off of school from snow in October?
The class of 2013 changed the class of 2012's Senior prank?
The boys basketball team was undefeated?
The world was supposed to end?
Mrs. Thomas was taught to twerk?
You thought as a freshman, the next four years were going to be torture?
Not everyone had a smart phone?
The midterm schedule was a half day?
Fruits and vegetables weren't a necessity for our lunches?
Seniors could eat outside during lunch?
We could walk across the parking lot to get to class?

STUDENT SURVEYS

What is your unusual talent?

Joe Frost: Talent...hahaha

Zach Desmond: Messing with Mr. Senez in 6th period History with Andrew Halgas.

Kyle Norris: I can shake my eyeballs, laugh like a clown, and change my voice.

If you were the principal of this school, what's the first thing you would change about it?

Josh Donor: I would let students go outside.

Christine Luksic: I would get better school lunches.

Briana Hernandez: I would make every classroom nicer.

If you get caught cutting class, what is your best excuse?

Antonio Sanzo: I was using the bathroom.

Zach Desmond: I got lost.

Toriana Rugani: I don't cut class bro...

Who has given you the best advice? What did they say?

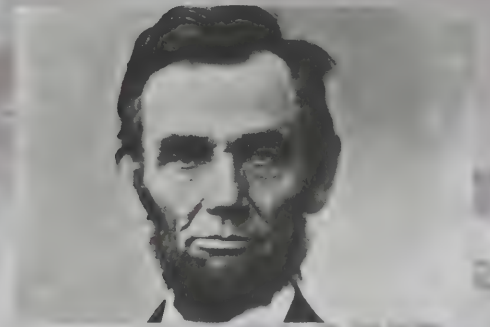

Christine Luksic: "It doesn't matter if the horse is blind, just fill the carriage and go." -Mr. Sean Patrick Crane

Phillip Duncan: "You are going to be wrong so accept it and learn from your mistakes." -Mr. Paradis

Joe Frost: "In the end, it's not the years in your life that count. It's the life in your years." -Abraham Lincoln

"I have not failed. I've just found 10,000 ways that won't work."

Thomas A. Edison

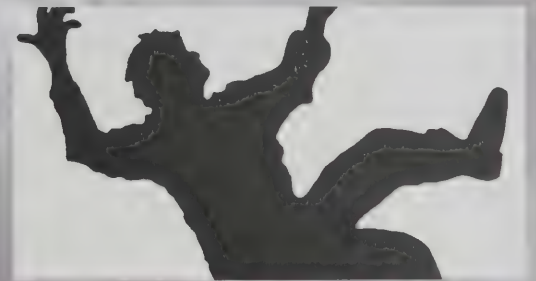

What was your most embarrassing moment?

Kyle Norris: Falling down the stairs while holding food.

Zach Desmond: That whole "YOLO" phase.

Toriana Rugani: I tripped up the stairs in front of a bunch of senior boys.

What item could you never leave home without?

Ryan Dibiase: My keys

Joe Frost: My phone or iPod

MaKayla Januszewski: My ChapStick

Rachel's Challenge

Rachel's Challenge is a series of programs and tactics designed to promote kindness and compassion throughout one's community. The program is based off of the life and acts of Rachel Joy Scott- a victim of the Columbine High School shooting in 1999. Rachel believed that there is a little bit of good in everybody and that one kind act would eventually cause a chain reaction of kindness. The program starts with an assembly where a speaker tells about Rachel's life and how she impacted her community. As the audience watches various clips and listens to Rachel's story, five challenges are issued. They are told to look for the best in others, dream big, choose positive influences, speak with kindness, and start their own chain reaction. Her emotional story mixed with these challenges creates a very powerful message. After the assembly, one hundred students are invited to training. In this training program, students are taught how to keep Rachel's message alive in their community, the usual result being the Friends of Rachel Club. Very few programs have a lasting impact on society, but this was not the case for Rachel's Challenge. Over 18 million people have been touched by Rachel's message, and we are happy to include Enfield High in that list.

Rachel's Challenge came to Enfield High School on September 20, 2012. The next day, an unexpected "High-five Friday" was held, with some students counting over 100 high-fives. One week after the program, the first FOR (Friends of Rachel) club meeting was held; over 100 students attended. The fun events continued with a dance-zone Friday, scavenger hunt, and hat day. The FOR club also worked with Enfield High's National Honor Society to hold an event in January called "When life gives you lemons". This event promoted various acts of kindness and the importance of organ donation (it could save lives!).

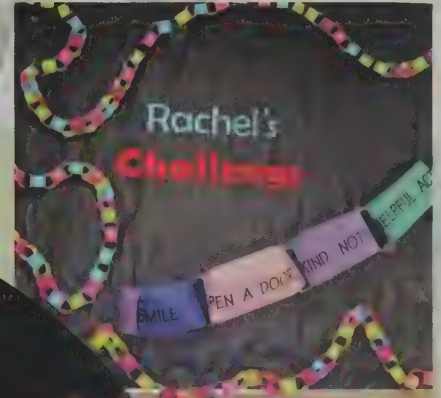

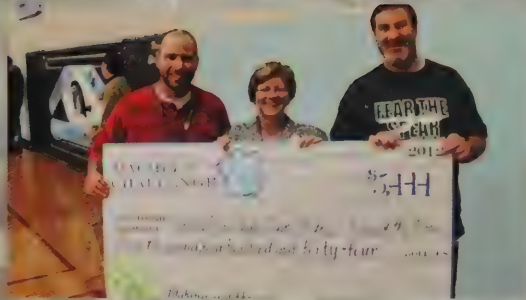

The FOR club's largest project was a "kindness blitz" in December. While working closely with Fermi and JFK, the entire month of December was dedicated to raising money for three charities: the Enfield Food Shelf, Loaves and Fishes, and Little Sisters of the Poor. Donations were accepted all month, and a day of kindness was held on December 15.

A pancake breakfast kicked off the day, and various acts of kindness were performed afterwards. Students from all three schools went all over town and helped the community- this included stops at the Enfield Central Library, Big Y Supermarket, the Enfield Food Shelf and the Loaves & Fishes Soup Kitchen. At the end of the day, a joint dance (with EHS and Fermi students attending) was held at Enrico Fermi High School. A dance was also held at JFK one week prior, and profits from both dances went towards the charities; by the end of the month, Enfield's three FOR clubs raised a combined \$5444.

With a very successful first year in Enfield, Rachel's Challenge is here to stay. Enfield High School is excited for the program to return in fall 2013- this time with a different assembly for the students. The program has made a huge impact; there have been fewer referrals and fights this year, and things are looking up. The thought of next year has become appealing, especially with the return of the FOR club and some of the events it has offered.

A letter from the Superintendent and Deputy Superintendent

Dear Members of the Class of 2013:

It is a privilege to have the opportunity to write this message to you in your yearbook. Although we have not known each other for a long time, as a class you have impressed me with your academic achievement, athletic determination, artistic and musical talents.

There is something very special about "firsts". You will be the first class I have the honor of watching graduate. And upon your graduation, you will begin the first day of a new life. Surely many of you will explore life outside of Enfield in college, working or in service to our country.

We are confident that your studies here in the Enfield Public Schools have prepared you well for any path you choose. So go explore and live life to the fullest.

We are very proud of you and wish you only the best.

Jeffrey A. Schumann, Ph.D.
Superintendent of Schools

Dear Members of the Class of 2013:

I want to thank you for the honor of writing this message for ECHO. Writing this message has made me reflect on my time in the Enfield Public Schools, and I hope you will take this opportunity to reflect on your experiences here as well. Your high school experience should not only be remembered for the accomplishments in the classroom, athletic contests or extracurricular activities, but in the relationships and lifelong friendships you have all gained by attending Enfield High School.

Graduation marks a significant accomplishment not only for you but for your families and your community. I know the Town of Enfield is extremely proud of the achievements you have accomplished, and your commencement ceremony is an opportunity for the entire community to honor you and the hard work you have all done.

Congratulations to you all. The school community is extremely proud of you and we hope we have prepared you for a future filled with continued success.

Best wishes,
Christopher J. Drezek
Deputy Superintendent of Schools

Enfield Board of Education

Sitting (Left to Right): Vincent M. Grady, Vice Chairman; Timothy Neville, Chairman; Joyce P. Hall; Charles L. Johnson, III. **Standing (Left to Right):** Kevin P. Fealy, Jr.; Tina LeBlanc; Donna Szewczak; Jennifer Rancourt; Peter Jonaitis. **Pictured on right:** Thomas J. Sirard.
(Mr. Sirard replaced Mr. Johnson in January, 2013.)

To the members of the Class of 2013:

I can't believe how fast this year has gone! First and foremost, let me say thank you. Enfield High School is a phenomenal place. It is friendly and welcoming and you are the ones who set the tone in this school. You are the role models for the rest of the classes and they follow your lead. You immediately welcomed me into the Enfield High School community. I am so happy to be a part of this school and to have shared the year with you.

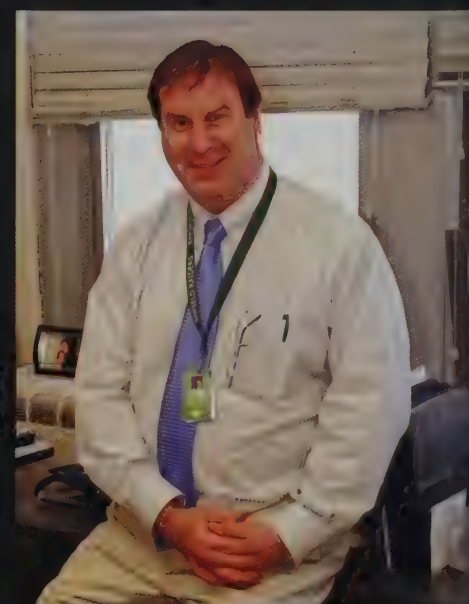

This year I enjoyed so many things: seeing your smiling (and sleepy faces) each morning as you entered school and again at lunch, spending time in your classes, rooting for the Raiders sports teams, working with the members of the PSAC, attending concerts, plays, pep rallies, the holiday assembly, the DECA induction ceremony, awards banquets and all of the senior activities. I think what I am most impressed by and proud of are the positive relationships among the members of the EHS community. I am very thankful to have gotten to know many of you.

It is bittersweet to send you off. I wish we could keep you here longer, but am so excited for you as you enter this next stage of your life. Every single one of you has special gifts and talents. You may or may not have already discovered what those are. Remember, this is just the beginning of an amazing journey. I wish each and every one of you the very best.

Mrs. Krieger, Principal

Assistant Principal

To Mrs. Betsy Ogonis...

...our eternal gratitude.

Dealing with a variety of personalities on a daily basis is not the easiest task. However, when you possess the type of genuine care and drive that Betsy Ogonis has, it becomes an enjoyable and mutually beneficial experience. She has gone through many school changes involving attendance policy, dress code and even the elimination of smoking areas on campus. Yet, year after year we here at EHS can expect the same positive impact Mrs. Ogonis brings wherever she goes.

Mrs. Ogonis first started her career within a school building as a teacher at Enfield High School. After moving back and forth between Enrico Fermi High School and Kosciuszko Jr. High for about 7 years, she came back to EHS as a guidance counselor. Not only did she have the polite nature to compliment the position, she was also very well qualified. Once she completed her undergraduate degree at UMASS, Mrs. Ogonis acquired her master's degree for guidance/counseling. When one thinks about her passion for helping students, it goes back to her years before college. She was a FACS teacher who attracted the questions and concerns from many students due to her intelligence and knack for solving problems.

When we asked her what she loved most about this day to day assistance she answered, "I can try to keep a log, I can think that's what I'm doing for the day, but in this job, I honestly have no clue what's going to come through the door." Now that is a person primed and ready for any type of inquiry or situation in need of professional decision making. The greatest part of Mrs. Ogonis's abilities is her perseverance through the most difficult of problems. She said that the most interesting part of her job was, "helping kids find alternatives." Her experience with all these matters transcends the advantages and disadvantages over the past decade. At one point, Mrs. Ogonis would have to schedule and manage her daily tasks on a bulletin board, thus creating a hectic environment. Yet, through her determination, she has done wonders for many students' lives and has adapted to using Home Access Center where she can manage things at home.

Times may change and years may go by, but Betsy Ogonis' presence in our building has been a blessing. On behalf of all the students and teachers affected by her amazing work here, we thank you for all your years of kind hearted service.

FACULTY FLASHBACKS

We've all heard how high school was different "back in the day" from our parents. But what about the EHS faculty? *ECHO* sought out ten brave souls to share their stories!

High School back in the day here at EHS was fun! We hung out in the tunnel before school to talk to friends and spent our lunches out front sitting in the grass or playing hacky sack.

There was a lot of school spirit and pride. Homecoming was a big event where each class made a float for the parade that was then judged down at the football field. Popular items were Vuarnet sunglasses and Sony Walkmans. Fashion trends consisted of leg warmers, long sweaters, Izod shirts with the collar up, and of course, big hair. The best part of senior year was having privileges to leave after 5th period, and Class Night. Looking back over our years together was memorable. **-Mrs. DeLorge**

I graduated from Greenfield High School in June of 1968. Our school colors were green and white and we were known as the "Green wave." As a senior I worried about the same issues that many of our EHS students still do: *Which college would accept me? How would I really pay for college? What would college really be like? What would I really do after I graduated?* Many of our guys worried about being drafted and sent to Vietnam.

The most popular musicians that we listened to were The Doors, Rolling Stones, Beatles and Beach Boys. Gas was 25 cents a gallon which meant that you could drive around for hours and spend very little money.

The biggest thing that happened during my high school years was when McDonald's came to town. That became the place to hang out because the hamburgers were cheap, also 25 cents.

1968 was a crazy time with the Vietnam War, protests, the hippie movement just getting rolling, communes, free love and Height Ashbury. There were people who left school one day, hopped a bus or hitchhiked to California and were never seen or heard from again.

All these years later, it sure is fun to still be part of a high school! Thanks for all of the wonderful memories at Enfield High! **-Mrs. Ogonis**

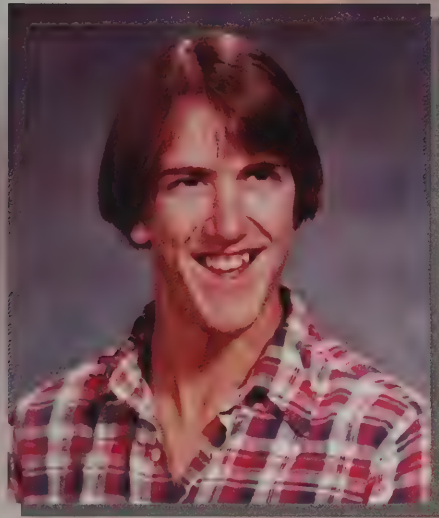

We were excited to be celebrating the bicentennial (200th Birthday) of the United States of America. Mr. Lawrence Shea, Mrs. DeLorge's father, was my principal.

I drove an old Volkswagen Bug and paid 59 cents for a gallon of gas. All of our music came from the radio. I worked as a dietary aide at a nursing home earning \$2.21 an hour.

My friends and I hung out at each others' homes, made regular trips to McDonalds, and took trips to the Rhode Island beaches. **-Mrs. Krieger**

Back when I graduated high school - New Canaan High School 1982 - things were different. School Spirit - much more of it! School dances - everybody went! Driving to school was really cool! We had a smoking lounge - a room where students could smoke!

Music tastes were so different back then. Popular bands were Crosby, Stills, Nash and Young, Billy Squire, Journey, The GO-GOs, Stray Cats, Steve Miller band, Rolling Stones, The Cars and Devo. - **Mr. Barnes**

Living in the South End, Boston's only integrated neighborhood, I was largely insulated from the racial strife that rocked the city during the forced desegregation of the 1970s. My elementary and middle schools were already integrated. I attended a magnet high school that drew students from throughout the city. Our production of "Genesis" included a white Adam and Eve and black Cain and Abel.

There were 500 students in a building that held 350, so we had a lot of "extern" programs which kept half the students out of the building at any time. Our Social Discovery program allowed students to "try on" different lives: working in factories, living in an Ashram, even living as a hermit in a deserted scout camp. My drama class met in a local church and had gym at the YMCA.

-**Mr. Chandler, Copley Square High, Boston, class of 1977**

High school in the 1980s was a magical time for me. We had to wear uniforms, and there were 40 students to a classroom with very strict academic standards and high expectations. We had a smoking area! (I didn't smoke.)

I remember the extent of preparing for my SATs consisted of trying to find two sharpened no. 2 pencils in my house.

I also remember I had a really cool pin I wore on my jean jacket that said, "Question Authority." However, I don't remember ever questioning authority!

We didn't know what we didn't have and we were quite happy.

-**Mrs. Jurgens**
(*Runner-up for class clown*)

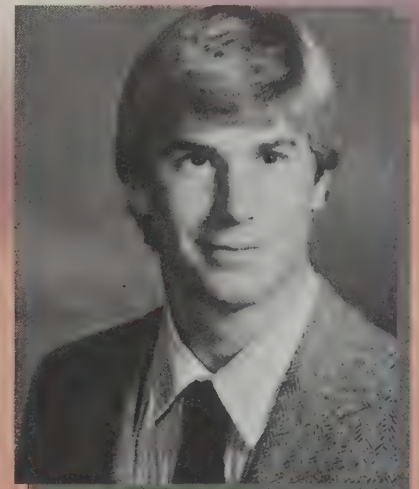

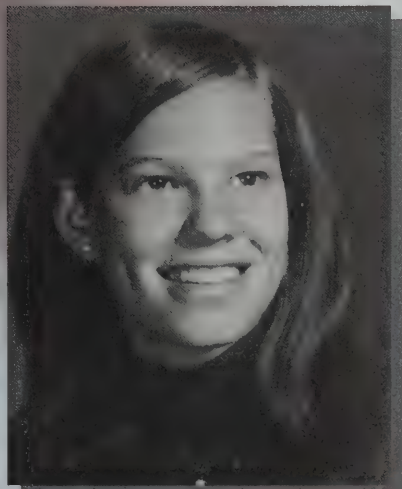

What year did I go to Enfield High School? Girls could not wear long pants of any kind. Skirts or dresses only were allowed and they had to touch the knee. Girls had to wear nylons or socks with their skirt or dress. Boys wore a shirt with a collar and it was buttoned. No t-shirts were ever allowed in school.

There were no computers in the schools. Secretaries used typewriters and carbon to copy things. No one ever spoke back to a teacher or an administrator. There were no in-school suspension rooms or teachers. There were no special education classes.

There was only one student who owned a car and he was a senior. Only the staff had cars, and some did not, they walked to school. Lots of kids rode their bikes to school. You learned short hand if you wanted to be a secretary after you graduated.

You were never late to class because you didn't want to be embarrassed by walking into class when everyone else was sitting down. You never roamed the halls or your parents got a call from the administration.

-**Mrs. Fairley**

The way they were, from left to right: Mr. Longey, Ms. Dalpe, Mrs. Simmons, Mr. Sargalski.

ECHO 2013

A group of approximately ten students are posed in two rows outdoors. They are all wearing matching purple t-shirts that feature a large white handprint graphic with a smaller heart inside the palm. The students are smiling and looking towards the right side of the frame. The background is slightly blurred, showing what appears to be a parking lot with cars and some trees.

DRAMA CLUB

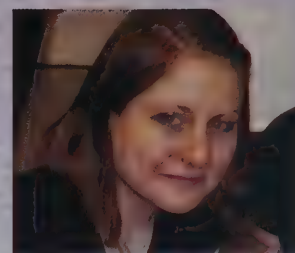

The EHS Lamplighters typically do four shows per year, but this year the club did five! The fall production was *Our Town*. This was a play that allowed the actors to get rid of the "third wall". The audience got a taste of what some rehearsals can be like amongst the theatre.

The dinner mystery show was *The Great High School Whodunit!* This show was performed in front of a sold-out crowd in the cafeteria. The audience had the chance to speak one on one with the actors and really feel like they're a part of the play. Some of the viewers said that the mystery is a thrill and solving the crime is even better than going to the cinemas.

The Children's Theatre was *The Three Bears Versus Goldi Locks* and *After Ever Happily*. The cast and crew were given the opportunity to travel to Eli Whitney Elementary School to perform for the third, fourth and fifth graders. For some of the club members, when they were a child, when watching the Children's Theatre caused them to do theatre. The club hopes that the performance hit the hearts of some children and possibly they'll be on stage later in life too.

The spring musical was *Fame*. This musical was different than usual because students got the chance to show their specific talent of either playing instrument, singing, acting or dancing.

The Lamplighters are always ready to perform their best for the Enfield community and surrounding towns.

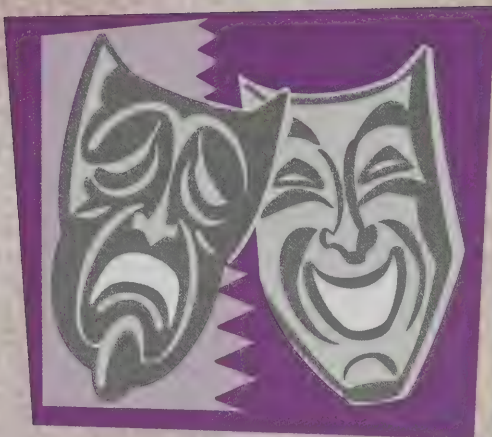

Seniors Nicholas DiProto, Jessica Freitag, Conor Sutphin, Jordan Ruiz, Whitney DeClaybrook and Helen Nyugen will be sorely missed.

RAIDERS

For years now, Enfield High School has rallied behind its sports teams, and for good reason. From close games to sheer displays of complete dominance, each sport has given the students and faculty at EHS something to find common ground and pride upon. We all look forward to each game and make sure we support our Raiders in their times of great prosperity and even in times of folly.

This year, we've seen much success with our teams, and our seniors have risen to the challenge. Ian Turnberg and Shane Spring brought cross country speeding to the finish. Macy Peach and Morgan Doiron did well with their volleyball season. Mike Crowley really stepped up as a leader on offense and Lukasz "Pookie" Kluk provided his brand of ball-hawking defense in football. Amy Martin and Melissa "Log" Chavez brought their A-Game this year in field hockey. Zach Vincent fought hard for his wins in wrestling. Sydney Ballou and Kaylee Polmatier did well for the girl's soccer team this season. Josh Gaines and Liam King made their senior year count. Matt Buanno and Blake Zimmerman accomplished quite a feat by going to States for the indoor track team. Paul Lima made the 1,000 Point Club and led the basketball team to the semi-final game in the state tournament. The Hockey team's seniors, Zach Audet and Avery Boissy, were true leaders and led the team to a successful year on the ice, which included a berth in the state tournament.

All the Enfield Raider's sports teams have achieved a great deal and the future looks brighter than ever.

SPORTS

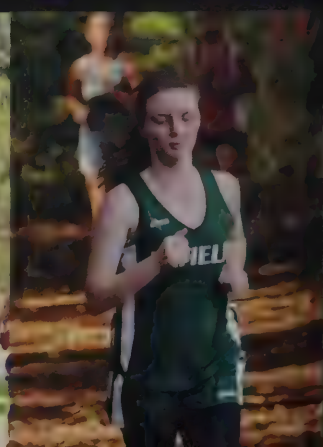

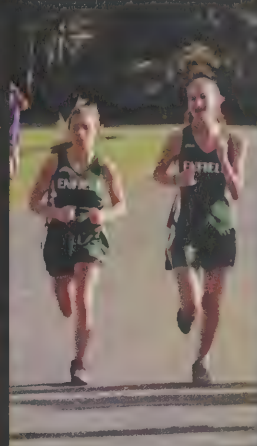

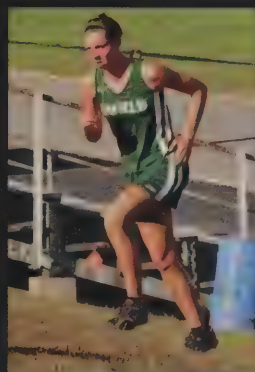

CROSS COUNTRY

The EHS Cross Country team had its share of challenging opponents this season but found success in its top runners. KeJuan Williams, Connor Shannahan, Ian Turnberg, Jacob Boyle, and Shane Spring led the boys side of the team, while Stephanie Malicki and Megan Rund led the girls.

The team competed in the ultra-tough NCCC conference, where the boys finished with a 4-22 record (2-11 NCCC) and the girls finished 6-20 (3-10 NCCC). The size of the team has grown over the past three seasons, and that has set the building blocks for success in the future.

Two of the top runners for boys will return next year, along with all of the girls. A new group of runners arriving from JFK will also help bolster the team, led by coach Rob Barnes. The future looks brighter and brighter for EHS Cross Country.

Seniors: Jacob Boyle, Ian Turnberg, Wesley Chung, Shane Spring, Conor Sutphin.

Team Captains: Jacob Boyle, Stephanie Malicki, Ian Turnberg.

Back Row: Coach Barnes, Keluan Williams, Connor Shannahan, Conor Sutphin, Darien Atkins, Jacob Boyle, Kyle Baker, Ian Turnberg, Wesley Chung, Shane Spring, Ian Ledger.

FIELD HOCKEY

The motto of the 2012-2013 Enfield High field hockey team was to never give up. "We all gave it our best every game. Even though sometimes that wasn't enough, we never gave up."

The season was one filled with much hard work and determination. The team was lead by senior captain Amy Martin, and coached by the one and only Mrs. Cookie Bromage. The entire Raider family gives their thanks to both of them for their dedication to this team. Despite a rough schedule, the team was able to persevere throughout, and create memories to last. The Raiders goalie, Madison LaRusso, was recognized as a member of Connecticut's All-State team.

Even though they didn't have the best record, they powered through and played out the season, showcasing the commitment of each and every player. The team will return a large, experienced player base and look forward to a strong upcoming season.

Seniors Avery Boissy, Lukas Kluk and Michael Crowley led the football team through tough opponents as they finished the season with a 5-5 record.

NBC Connecticut television cameras dotted the sidelines on opening night as the shutout versus Granby was featured as the station's "Game of the Week."

The seniors and the captains had a lot of leadership qualities which helped carry the team to decisive victories against Windsor Locks/Suffield/East Granby on Homecoming Day, as well as SMSA/University on Thanksgiving Day.

"This class worked hard and improved from their freshmen year as a group," said head coach Jay Gaucher. "Their freshmen year, it was a group that didn't win a game, and by their senior year won five games and had opportunities in the other five. It is a group with a bright future in the rest of their life."

The freshmen have risen to the occasion and they've taken charge in their roles. Even though this is the final year for our seniors, they've kept their heads in the game and won in triumph.

BOYS SOCCER

Led by captains Liam King, Josh Gaines, and Joe Linehan, the Raiders went into the season determined and united with aspirations of making states. They had a hopeful start, but an abnormal period of rain led to the cancellation of several games.

Due to a tight schedule, the Raiders were faced with the challenge of playing four games in a single week. The games tested the players' endurance and put them into a slump that they unfortunately could not get out of. The overall record ended at 4-11-1.

Captain Liam King said a few words about the season. "I think it was fun. It wasn't that successful, we didn't reach our goal, but overall it was a good experience. I still had fun."

GIRLS SOCCER

"We overall had a successful season. I'm going to miss playing on a team that is like a family." – Captain Sierra Trzepacz

That held true through the whole season. The girls started their season off strong by winning the first five games. Although they endured some losses against tough competitors like Avon and Suffield, they stuck together and pulled through to make it to states for the 2012-2013 season.

Former JV coach Ashley Hurley stepped up to the plate to coach Varsity this year. At times it was difficult adjusting for everybody but Captains Kaylee Polmatier, Sierra Trzepacz, and Sydney Ballou helped the entire team along the way.

Congratulations on a fantastic season (9-7-0) and congratulations to all the seniors - Sydney Ballou, Hannah Dessert, Valeigh Kaufman, Kaylee Polmatier, Carly Roy, Anna Smith, Sierra Trzepacz - from Enfield High's 2012-2013 Girls Soccer team.

The Enfield/Somers/Fermi Swim team included seven Raiders in 2012. The team of 18 had a 4-11 record this season with two girls going to state finals. "The team as a whole isn't its strongest," said team star Rebecca Kailiff, "but there were significant improvements in times from previous years."

The team made it to the CIAC Girls Swimming and Diving Class L trials (state trials), the CIAC Girls Swimming and Diving Class L Finals (state finals) and the CCC East Championships.

Kailiff made the top heat in the 200 IM & 100 fly to State Finals. She won the 200 IM in the CCC East Conference meet and the All Conference in 200 IM & 100 back.

SWIMMING

It was a difficult season for the Enfield High School Girls Volleyball team, but their record didn't reflect the kind of team they were.

The team had three matches in a row that they lost in five sets. Those were tough losses because they were ahead by three matches. Coach Belisle says, "We are losing two key players, my setter Morgan and my hitter Macy. So, next year is going to be weak in those two areas, but I am hopeful that Elizabeth LaBruna (Junior) will step up in the setter position and with Mariah Vella (Junior), Ali Slaydon (Junior), Melissa Marshall (Junior), Gaby Grossi (Junior) and Jordan Fritz (Sophomore) returning next season after playing winter volleyball we should be good yet young in working together."

The seniors of the team were Shauna Fauteux, Nicole Olschafskie, Morgan Doiron, and Macy Peach.

Morgan Doiron had 175 assists her senior year alone, she was the most consistent server with 205 serves, along with 23 aces. Macy Peach was the #1 go to girl for hitting. She had 88 kills, 16 blocks, and 58 aces, leading the team with her kills and aces.

Awards were given to some of the girls on their achievements. Nicole Olschafskie received the Coach's Award, Best Server was given to Morgan Doiron, Best Hitter and Most Aces to Macy Peach, Most Improved was Jordan Fritz and Most Digs and Best Attitude was given to Mariah Vella.

BOYS BASKETBALL

The Enfield High Boys Basketball team had a strong season, coming off their undefeated regular season the year before. Having lost five seniors, this year's team worked hard to compete again at the top of the NCCC for the fourth straight season.

The team was led by eight seniors, including guard Paul Lima who scored his 1,000th point on Senior Night. Lima had quite the supporting cast this season and they all rallied together on both sides of the court.

Tommy Meskell ran the offense, dropping dimes to sharp shooters Sal Spadaro and Joe Linehan, with Captain Kevin Camidge cleaning up down low.

On the Defensive side of the ball, Enfield was led by Captain Michael Crowley and lockdown defender Josh Gaines. Big Phil Wüllhorst brought lots of excitement and energy to the team all year long.

Although they fought hard, the Raiders lost to Avon in a triple overtime nail biter in the semi-finals of the NCCC tournament. Enfield finished 17-3 in the regular season and made it all the way to the CIAC tournament semi-finals, where they suffered a heartbreaking 53-47 loss to Cinderella team Weston.

GIRLS BASKETBALL

The Enfield High School girls basketball team continued a steady improvement during the 2012-2013 season. The team had more losses than wins, but the girls never gave up. They all kept their heads up and tried their hardest in each and every game. The girls ended their season with 6 wins and 14 losses.

Their best game was against Sports and Medical Sciences Academy, winning 53 to 40. They played Stafford, Windsor Locks, East Windsor, Wilcox RVT, Fermi, Coventry, Bolton, Somers, Canton, Ellington, Granby Memorial, Rockville all once and played East Granby, Sports and Medical Sciences Academy, Suffield and Avon all twice. The girls will always have hope and there is always next year.

"We had a really good season this year," said Senior Rachel Kaliff. "Our goal was to be competitive in the league and make other teams recognize us as a force to be reckoned with. We definitely reached that. We doubled our wins from last year and ended 6-14. We finally beat Fermi this year which is huge. We are a really young team but learned quickly that working together as a team we can do great things."

 @ Branford L 0-4

The second season of the combined Enfield-Fermi hockey team finished at 8-11-1, and the players gelled as the season progressed.

Although the team had an early exit in the state tournament delivered by Branford 4-0, the stage is set for a comeback. Coach Frank Genovese really helped put this team in a place for success in future years, even though four seniors are leaving after this season.

Seniors Avery Boissy (Captain), Ryan Zetterholm, Zach Audet and Steven Daigle are graduating. Since the most experienced players and the captain are leaving, next season will be very interesting to see who steps up as the leaders of this team.

With an influx of bunch of new cheerleaders and many seniors leaving last year, the team had to find chemistry. As the seasons went on, we could all tell the spirit was just as strong as ever and the progress was in full effect. A great reference to the cheerleaders' development was their amazing performance at the Ellington competition.

The team really bonded at the NECA cheer camp in New London. While there, they worked out the small details of their routines and picked up multiple new stunts like yo-yo's and a new tuck pyramid. Using what they learned and improved on, we all enjoyed their spirit at every sporting event this year. Even at the school's holiday assembly, they showed EHS that they have a true passion for representing our school's Raider Pride.

Seniors: D'Onya Smyth, Andrea Orson, Jenna Williams, Amy Young, Tatianna Byfield, Kayla Neal

This season started with focused athletes determined to make a difference on and off the track. The team had to physically and mentally prepare themselves for the season.

This year eight athletes were able to make it all the way to states. There were strong performances made by the whole team. Overall, the team placed well in the NCCC.

"I had a great season and I'm looking forward to outdoor," said Blake Zimmerman. Matt Buanno says, "It was easy being a captain for such a great team." The athletes that made it to states were Matt Buanno, Tyrik Henry, Shane Spring, Ian Turnberg, Blake Zimmerman, Shaq Jessop, Anthony Romei, and Mike Casey. Congratulations on an awesome season!

WRESTLING

This year's season was a great one. Brian Murphy and Jarrett Maloney were the star athletes with Jarrett going 21-2 and making all-conference. Everyone made it to States but no one made it to State Opens. There were no seniors this year but we have a young group of kids who have the ability to carry this team far. We all hope next year to win at State Opens and get a new banner to hang in the gym.

Holiday Assembly

Our traditional Holiday Assembly began with unique twists. Mrs. Krieger welcomed us and got to see how Enfield High's holidays are celebrated. Everyone got pumped once the cheerleaders came on and showed some of our school spirit. We learned about Lebanese traditions and The Three Kings' Day.

The Dance team came and blew us away with their moves. The Jazz band played *Frosty the Snowman*, while the string orchestra played *Have Yourself a Merry Little Christmas*. The Select Choir cheerfully sang *Ding Dong Merrily on High* and *Let it Snow*, while Lauren Attenello blew everyone away with her solo. The Concert Band played *Do You Hear What I Hear* and *Sleigh Ride*.

The chorus ended the day with a sing-a-long to *Santa Claus is Coming to Town*. Who would have thought we'd see not one, but two Santas in the building?! To follow, the auditorium was filled with faces grinning ear to ear while we all sang *Jingle Bells*, *Silent Night*, *Rudolph the Red Nosed Reindeer* and *We Wish You a Merry Christmas*.

DECA

Under the direction of Mrs. Carol Stone, the Enfield High DECA program was a success this year. With its 75 members strong, DECA has been very active helping out the community with such events as pumpkin painting with the Head Start children, collecting non-perishable goods for local charities and supporting various in-school activities benefiting students and families, and sending holiday greetings to our troops overseas. Every year, DECA hosts the Powder Puff game which benefits the Enfield Food Shelf. We are hopeful our beloved retired principal, Mr. Duffy, will return to officiate this event.

The 2012-2013 DECA Candlelight Dinner Induction Ceremony held at Grassmere Country Club was the largest event ever with 165 guests in attendance including family, friends, EHS administrators, BOE member, Mr. Vincent Grady, and Assistant Superintendent, Mr. Christopher Drezek (a former high school DECA member). The event was planned by the DECA officers who inducted 44 new members. Officers this year are Carly Roy-President, Joshua Dombroski-Vice President, Liam King-Treasurer, Lukasz Kluk-Secretary, Laura Grady-Historian, and Valeigh Kaufman-Reporter. Greeting family members and guests were senior marketing students Nick Bevilacqua, Amy Martin, Monica McNulty, Ryan Morales, and Heather Souer. Each inductee was presented an official DECA long sleeve tee.

During the month of November, DECA members spent two days exploring New York City. Students attended NBC Studios and other museums as an opportunity to learn about jobs in the broadcasting industry and witness real world marketing from street vendors to high-end stores and entertainment venues throughout the city.

In September, DECA members demonstrated quick thinking, leadership qualities, team work, and survival skills while zip lining and completing various competitive events at EMPOWER in Middletown, Conn. While all the students achieved personal success and increased their endurance, team Tom-Kats won the competitive events in record time.

Good Luck,
Graduates!

Ian,

It seems unreal fast forwarding through "the photographs and still frames in our minds" and realizing that in a flash, (18 years later!) you are beginning your next chapter.

We are so excited and wish you all the best - we couldn't be happier for you! We will never stop texting, "Hello Son! What's ur dealio?" and hope that you have the same fond memories when you recall the words..."What in the nurgent?...Pachycephalosaurus... T-Ball Friends... The Lake House...Coloring Eggs...Collins Farm...Cape Cod...Narragansett...4th on The Vineyard"...that always bring a smile to our faces!

Oh, the places you'll go, Ian! We are so very proud of you today and always.

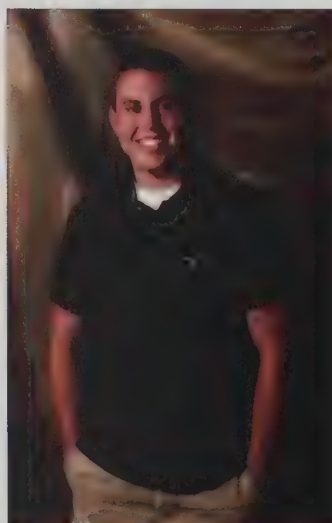

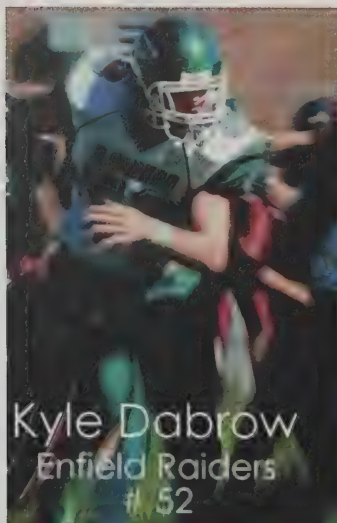

With All Our Love,
Mom, Dad and Hannah xo

Kyle,

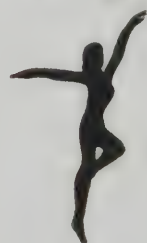

We are so proud of you and the man that you have become. Our wish for you is that all your endeavors lead you to who you want to be and where you want to be. We love you very much.

Congratulations Carly!

Since the day you were born we have been glowing with pride and each and every day as you have grown, you have made us even more proud. As you graduate high school we wish you much success in your future and look forward to sharing many more proud and joyful moments with you! We love you!

Mom, Dad, and Sam

Graduation is just the start of your education.

Congratulations, graduate. You're in the real world now. Filled with big choices and heavy-duty decisions. You're about to discover that learning is a lifetime pursuit—whether it occurs in college, on the job, or through life experience.

So start out right. Make a financial decision you can live with for a lifetime. If you are not yet a 360FCU member, become one today. You and your family* are all eligible to join. And we're right there in your school. Then you can handle what lies ahead, because we'll be there to back you up—with inexpensive loans, better ways to save, more convenient financial services.

So make 360FCU membership the graduation gift you give yourself. And take your next step with greater confidence.

It all revolves around you.

* Family members may include: spouse, child, sibling, parent, grandparent or grandchild, stepparents, stepchildren, stepsiblings and adoptive relationships.

What was happening when you were born?

In 1994, Brazil wins the World Cup in the U.S.

In 1994, OJ Simpson flees police in his white Ford Bronco, beginning a two-year, Hollywood real-life crime drama.

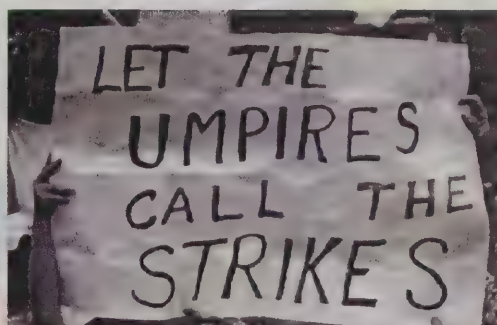

Forrest Gump is released in 1994, and wins the Academy Award for Best Picture, plus five additional awards, in 1995.

On September 3, 1995, eBay is founded, starting the Internet Boom.

In 1995, an Oklahoma City federal building is bombed, killing 168 people.

In 1994, the Major League Baseball Players Association began a 232 day strike causing the 1994 season to be canceled.

On August 24, 1995, Microsoft releases Windows 95. In the first five weeks, Microsoft sold a record-setting 7 million copies.

Nelson Mandela takes office as first black South African president on May 18, 1994.

In 1994, the Winter Olympic Games are held in Norway.

The Dallas Cowboys go 12-4 in 1995 on their way to winning Super Bowl XXX, the team's most recent championship.

AUTOGRAPHS

A yearbook is easy to take for granted, but takes hundreds of hours to produce. This year's ECHO has been a non-stop effort on the part of seven key students who believed in preserving our moments for years to come. Together, the yearbook staff put in endless hours of work to produce the best book possible.

Lauren Attenello

Lauren Attenello wrote the opening story in the book and had a major role in developing each section of the book.

Joe Frost also had a major role in creating the book, coordinating the stories, conducting the surveys in the book, and collecting the historical events from the year our seniors were born.

Joe Frost

Bobby Hunt

Bobby Hunt was back for a second year and used his experience in design to lay out and design all of the portrait pages, brags, and some of the ads.

MaKayla Januszewski designed our cover and spent many days working until after sunset making sure everything was laid out just right. She also used her exceptional photography skills on the table of contents page, as well as various other pages throughout the book.

MaKayla Januszewski

Becky Labbe made sure our sports teams were recognized and had major roles in photography editing and layout of the sports section, as well as the candid images in the book.

Helen Nguyen used her business experience to initiate relationships with area businesses that helped to reduce the cost of producing the book. She also assisted the staff in various tasks.

Becky Labbe

Helen Nguyen

Tyler Starzyk did an exceptional job writing the dedication to Mrs. DeLorge, as well as the story on Mrs. Ogonis and some of the sports recaps.

A very special "Thank You" goes out to these seven students, as well as the countless others who contributed to **ECHO 2013**.
